

## **A Bitter Lullaby - Martin Almgren**

(2-stämmig)

Hey!

**Vers 1:** I don't know what you're thinking  
I see something in your eyes  
Let me be the one to dry those  
Tears you hide

I know a simple song  
Can't take away the pain you feel  
Like a band-aid to the soul  
It could help you heal

**Brygga:** I've seen darkness leading you  
astray  
Trust your heart and find your own way

**Refräng:** This is a song for all the broken  
We gotta believe we'll win some day  
There's always some good in all the evil  
That's just the way of life  
It's like a bitter lullaby

*(Na na na, nanana, na na na  
Na na na, nanana, na na na)*

**Vers 2:** Heavy is the burden  
For all of us on earth  
Some of us do good things  
Other causes hurt

What I'm trying to say is  
It doesn't matter how  
We always gotta keep on moving  
Gotta walk through the fire

**Brygga 2:** I won't let the darkness lead  
me astray no  
I walk my own way

**Refräng**

**Stick:** This is your life  
So live with no regrets  
Yeah it's your life  
A bitter lullaby

*(Na na na, nanana, na na na  
Na na na, nanana, na na na)*

*(Na na na, nanana, na na na  
Na na na, nanana, na na na)*

*(Na na na, nanana, na na na  
Na na na, nanana, na na na)*

**Refräng x 2**
