

"Lean On Me"

Sometimes in our lives
We all have pain, we all have sorrow.
But if we are wise,
We know that there's always tomorrow.

Lean on me when you're not strong
I'll be your friend, I'll help you carry on
For it won't be long
'til I'm gonna need somebody to lean on.

Please swallow your pride
If I have things you need to borrow
For no one can see those of your needs
That you won't let show.

Lean on me when you're not strong
I'll be your friend, I'll help you carry on
For it won't be long
'til I'm gonna need, somebody to lean on.

You just call on me, brother, when you need a hand

We all need somebody to lean on.

I just might have a problem that you'll understand,

We all need somebody to lean on.

Lean on me when you're not strong
And I'll be your friend I'll help you carry on
For, it won't be long
'til I'm gonna need somebody to lean on

If there is a load
You have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me.

Lean on me when you're not strong
And I'll be your friend I'll help you carry on
For, it won't be long
'til I'm gonna need somebody to lean on

Lean on me when you're not strong
And I'll be your friend I'll help you carry on
For, it won't be long
'til I'm gonna need somebody to lean on

Just call
Just Call me

Just call
Just Call me
